Change of Address Checklist

If you haven't already, you can change your address by obtaining an "Official Change of Address Kit" at your local post office or online at www.usps.com. If you have specific questions, you can go to the website or call 1-800-ASK-USPS.

In addition to changing your address with the post office, here is a list of people and organizations you might want to notify personally:

- Friends and family
- Your employer
- Utilities
- Credit card companies
- Magazines
- Alumni Associations
- Professional Associations
- Companies where warranties are held (e.g. appliances, computer equipment)

I hope you find this checklist helpful. If you have any suggestions on how I can improve it, please let me know!
